#KIDSCelebratingKids

# A NOTE FROM THE FOUNDER

Throughout my 10 years of service with Simon Says Give®, I have experienced many amazing things and met many remarkable people. As we were approaching our ten-year anniversary, I was thinking about what I would write. There are so many memories and events that have occurred, it is almost impossible for me to highlight moments, because all of them have been incredibly important. Since Simon Says Give was created, I have continued to grow alongside the organization. Many of the people I met at the very beginning, before we were even an official non-profit, are still highly involved today.

Being away at college means that I am not able to be as involved as I would want throughout the year, but I do get to come back every summer to organize High Five for Supplies® with the help of our volunteers. Organizing High Five for Supplies is not only rewarding because of the impact, but because each summer when we hand out backpacks, I get to see some of the same marvelous people; from the volunteers, sweating with me filling up vehicles, to the incredible people from our non profit partners we get the pleasure of helping.

With ten years and many accomplishments made, I would like to give my parents, especially my mom, the recognition they deserve. I am sure all of you reading this know my mom, Dina, and most of you were probably introduced to me by her, because I am convinced, she knows everyone. My parents have been my biggest supporters, not only financially, but also emotionally, and my biggest cheerleaders. Through any event and every small thing that happens, they are both there and ready to be involved, a lot like all of our volunteers.

Thank you to all volunteers, donors and partners who have given their time, money, or supplies to Simon Says Give. We would not be able to do what we do, without you.

FOUNDER AND CHIEF CHARITY OFFICER

## A NOTE FROM THE PRESIDENT

It is hard to believe that we have been celebrating birthdays and handing out backpacks for over a decade. As Mandi's mom, it's been a privilege to support her young vision and to work with her over the years on this passion project. I look forward to seeing what she chooses to do in this next decade of Simon Says Give, and will remain her number one supporter.

What has always overwhelmed me, are the people that have joined our grassroots efforts. From the beginning, we have had the support of amazing board talent to strategic partners. We have had unbelievable corporate and individual donors who have given every year to support our mission, as well as fantastic nonprofit partners providing the outreach we need in the communities. However, the most incredible part of this journey is the parents of the kids we serve. They have allowed us into their lives to celebrate their children or advocate for their needs going back to school – for that, we are grateful!

As we pull together the impact numbers for the past 10 years, I am even more overwhelmed. Thank you to everyone that has touched Simon Says Give. Together, we have accomplished much.

Dina Simon  
PRESIDENT & CHAIRMAN OF THE BOARD

“

Hearing of a child's dream purely driven by a giving and generous heart was inspirational. Seeing the passion, generosity, determination and selfless work of so many to fulfill the dream is remarkable, so glad to have played such a small part in a wonderful organization.

—JACQUE FIEGEL | CHAIRMAN | PROSPERITY BANK

# HISTORY HIGHLIGHTS

Simon Says Give is a nonprofit founded in 2011 by 8-year-old, Mandi Simon. We support Kids Celebrating Kids® in four ways: Birthday Celebrations for kids in need, Youth Leadership opportunities, Chapter Passion Projects and our annual High Five for Supplies drive.

At age 7, Founder, Mandi Simon, knew she wanted to make a difference in the lives of others. Most importantly, the lives of other kids! A few months before Mandi's 8th birthday, she shared her vision to start a company. With the last name Simon, it was pretty easy to come up with Simon Says Give. From that day forward, Simon Says Give was born, and has blossomed into a value-oriented kid-led charity.

“

Our local MN MoneyGram team and the MoneyGram Foundation have been so excited to work with Mandi and her team on High Five for Supplies over the years. Being part of a Guinness World Record event was a thrill, and we are honored to be part of this mission and make an impact in the lives of children"

— AIMEE GRIFFITHS | HEAD OF SOCIAL IMPACT | MONEYGRAM INTERNATIONAL

We at Versique have been honored to be involved with Simon Says Give almost from day one. The work Mandi and all the SSG teams do for kids in the community continues to be inspiring . . . Thanks for letting us be a part of it! — CHRIS OHLENDORF | OWNER | VERSIQUE
